Dear Mr. Holmes:

American Future Fund ("AFF") (FEC ID# C30001028) is in receipt of your three Requests for Additional Information dated January 18, 2011, referencing various FEC Form 9 filings.

AFF amended their filings as you requested. With respect to your letter regarding the Form 9 filed on 10/23/2010, the FEC filing number of the amendment is 716720.

In response to your question #1 in reference to FEC Form 9 received on 10/8/2010, this was an amended report as a result from a reduction in the media buy. The original filing was filed on time (9/30/2010) and the amended filing was submitted within 24 hours of the change. Thus, both reports were timely filed.

In response to your question #3 in reference to the amended Form 9 filed on 10/23/2010, the increase in the amount of disbursements was the result of a subsequent purchase of air time for the electioneering communication. This subsequent disbursement was included on the amended report filed on 10/23/2010.

If you have any further questions or need further clarification, please do not hesitate to contact me.

Sincerely,

Karen Blackistone  
Counsel, American Future Fund
